

CHATEAU LAUROU

CUVEE HAUTE EXPRESSION Red

Region: South West

Appellation: AOC Fronton

General Description

"FRONTON" appellation is located near Toulouse close to the Tarn river. It is famous for its typical grape variety "NEGRETTE".

Chateau Laurou (45 ha) produces, syrah, cabernet franc, sauvignon, cot and gamay too.

In search of various qualities blending is different for each produced wine.

Wine Tasting Notes

Finesse and complexity of "négrette" grapes, with its aromas of violet, liquorice, and red fruits, fits the "syrah" grapes elegance of balance of spices and black fruits.

Beautiful dark red appearance. Nose revealing spices and black fruits (blackcurrant and blueberry), widely gorgeous on the palate. Steady tannins turning into a silky end of mouth.

A splash of "cabernet sauvignon" achieves a tannic frame. So this wine can be kept for ten years.

A premium choice for grilled and roasted red meats, stakes.
