## ***DOMAINE BERTA MAILLOL Red***

***Region: Languedoc-Roussillon***

***Appellation: AC Collioure***

### ***General Description***

Domaine BERTA-MAILLOL is in the heart of France's southernmost vineyards, on the spectacular coast where Pyrenees meet the Mediterranean.

Domaine is a 400 year old estate which looks over Col de Banyuls close to the border with Spain.

The actual cellar was build in 1873.

In the twentieth century, great Aristide Maillol (the world famous sculptor) tended vines that are still cultivated today.

The unique climate and soil are key to great wines.

DOMAINE BERTA MAILLOL produces naturally-sweet (similar to Port) Banyuls, and rich, dry Collioure.

### ***Wine Tasting Notes***

Excitingly luscious and heady wines of sweet red ripe fruit and an amalgam of spices

Rich and complex, majestically oaky long and elegant, it is a balanced wine that expresses all of the typical qualities of Collioure; distinguished traces of tannins, aromas of red fruits, citrus and spices.

Good match with grilled fish, meat, game, or cheeses.
