

# VACQUEYRAS Domaine du GRAND MONTMIRAIL

Domaine du Grand Montmirail also owns vineyards in Vacqueyras, just as one leaves the town heading southwest. The wine is vinified in much the same way as the Gigondas, using about 65% Grenache, 25% Syrah and 10% Mourvedre. Replete with fruit and absent of the rusticity often associated with this appellation, this Vacqueyras offers a delicious mouthful of wine, with notes of berries, spice and a finishing note of licorice.

Vacqueyras 'VAA - KAY - RAA') is lush with flavor and ready to drink tonight. From the 2005 vintage, it has had a few years to settle down and now displays it's Inky dark color with expansive aromas of Dark Cherries and Garrigue that follow thru to a medium to full bodied, rich Rhone red that'll have you coming back for more.
